# PROTECT STUDY DATA!

- Email is **not** a secure method for sending student data.
- Not in spreadsheet attachments.
- Not even if you password protect those spreadsheets.
- Not even if you only send the student's initials.
- Don't do it.
- Never send a student's name and ANY other identifying information over email.
- Two methods LEAs **can** use to securely send USBE data: **MOVEit** and **UTREx**.

# MOVEit
